SHEEPWALK HOUSE

MAGICAL
SENSORY
ROOM

Sheepwalk House is a five bed spacious residential home. Situated in the popular village of Ravenshead in Nottinghamshire, in Robin Hood country. It boasts a fantastic garden over a third of an acre with mature shrubs and a variety of woodland trees.

Just 100m from the bus stop and 5 miles from the train station, Sheepwalk House is situated close to Nottingham with good travel links. With a 12 foot trampoline, traditional wooden swing, two basketball nets and wooden robust picnic benches, there is plenty to do outdoors. Inside offers a fully equipped art and craft room with painting supplies, beads, sewing and activity box, as well as a sensory room with swinging chair, jungle mural, sensory lights, floor cushions, mood lighting and glow in the dark stars.

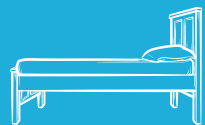

Service users living on site are adults, with a diagnosis of ASD, with moderate to severe learning disability and additional severe and complex needs.

The Registered Home Manager is NVQ5 qualified and has a wealth of experience in working with people who demonstrate complex health and behavioural needs and is a MAPA® Trainer.
